## TNA HISTORICAL HIGHLIGHTS

The Texas Numismatic Association is celebrating its 22nd anniversary this year! We've come a long way since the 47 enthusiastic Texas numismatists gathered for the first meeting, to the 1200 plus paid up membership.

On January 10, 1960—a cold, misty, miserable Sunday—the 47 Texas numismatists met in Port Lavaca to organize the Texas Numismatic Association. This movement was spearheaded by the Corpus Christi Coin Club after several years' groundwork had been done by many Texans scattered over the State.

The first draft of the Constitution and By-Laws, as prepared by the late Lamar Folda, was adopted. Joe B. Davis was named to act as the first president, Carlton Brush, vice president, and Mrs. Augusta Folda, secretary-treasurer.

Two organizational meetings were held—one in Austin, February 1960, with the Austin Coin Club as host, and the other in San Antonio, March 1960, as guests of the San Antonio Coin Club. At the March meeting, the association culminated action to incorporate under the Texas laws and became member #36980 of the **American Numismatic Association**. TNA is also member #400 of the **Organization of International Numismatists** (OIN).

The State is divided into 16 geographical districts and a governor is elected from each district who serves as a member of the governing board. Member clubs select a

representative who, with the aid of the governor, serves as liaison between club, district and TNA.

Carlton Brush became Life Member #1 as a reward for his services to the association. He won this honor by having his suggested name — **TNA NEWS** — for the official publication and his design for an official seal adopted by the governing board. Brush also designed the TNA membership cards.

The association's publication, known as the **TNA NEWS**, was brought into being and edited by Doris Martin in 1961 and 1962. Prior to that time, a "**NEWSLETTER**" was prepared by individual member clubs and sent to the membership to keep them informed of organizational developments. Miriam Gilmore is the current editor, marking 19 years of service in that capacity.

Selected as its worthwhile numismatic project, TNA sponsors a youth program and throughout the years there have been essay contests, special exhibit awards and now TNA honors juniors with two very important awards — **JUNIOR NUMISMATIST OF THE YEAR** and a **JUNIOR VIP (VERY IMPORTANT PERSON)**. District clubs nominate their outstanding junior members for the first award and Andy Holds was the 1971 recipient followed by Bryan Steger in 1972, Colin Tuttle in 1973, Alan Garrett, 1974, and Linda Runkle, 1975-1976-1977-1978-1979-1980. The **VIP AWARD** is given to the junior signing up the most new members for TNA during the year. Andrea Peppard took this honor for 1971, 1972, 1973, for 1974 - Colin Tuttle, Gober Pitzer - 1975, Linda Runkle - 1977-1980, and

Stephens Remedios. 1978 Pitzer was honored for his participation in TNA activities during 1976. Juniors are a select group in TNA as the association is vitally interested in promoting youth activities in the state, preparing them for the future of TNA.

In 1961, TNA established a permanent award in memory of the late Lewis M. Reagan, executive secretary of the TNA for many years, and is known as the **LEWIS REAGAN MEMORIAL AWARD**. This honor is bestowed upon a TNA member who, in the opinion of a selection committee, has done the most to promote numismatics in Texas throughout the year. Recipients have been Doris Martin, Hazel Jenkins, Miriam Gilmore, Mabel Casey Houton, Ellis Brooks, Ruby Threlkeld, Gladys Robbins, Augusta Folda and Lyman C. Barteo, co-winners; Joe B. Davis, Virgil Hancock, D. O. Joplin, Jerry Williams, Mac Kennady, Clark Coursey, Chris Johns and Eleanor Kennady, co-winners; Thos. C. Bain, Barney K. Welch, Frank Galindo and Gerald Kendall.

TNA established a permanent **PAST PRESIDENT'S PLAQUE** in 1963 and receiving the awards have been Joe B. Davis, the late A. L. Martin, Ellis Brooks, Floyd Covill, Bill Brothers, Lyman C. Barteo (2) and Col. Chas. A. Wingo.

Also in 1963, TNA established a permanent literary award known as the **KALVERT K. TIDWELL LITERARY AWARD** in honor of an esteemed member of TNA, the late Kalvert K. Tidwell, who did much in laying the foundation of TNA, destined to become the largest and most active state organization in the nation. This award is given to a

TNA member who, in the opinion of a reviewing committee, has made a literary contribution to the TNA NEWS judged to be the highest quality. Winners have been Frank O'Sullivan, Hirsh Schwartz, V. J. Van Cleave, Benny Nibert, Chris Johns, Bob Medlar, C. H. Roberts, Thos. c. Bain, Ellis Brooks, Col. Chas. A. Wingo, L. G. Davenport, J. P. Jones, Brent Brown, Ellis Brooks (second time), Bill Slate, Robert E. Greenwood, Brent Brown (second time) and Don Bailey.

During the busy year of 1963, TNA undertook a tremendous educational project—that of establishing a circulating library known as the TNA MEMORIAL LIBRARY. The library now consists of over 300 reference books, auction catalogs and other numismatic material.

In 1966, a slide set program was added and provides excellent material for club programs. The library now has over 25 sets and films. The only cost to members and clubs ordering books and slide sets is the round-trip postage. The library operates solely on donations from clubs, members and friends and no expense has ever been incurred from the TNA general operating fund. John Eads was the first librarian. Wally Gilmore took over the duties in 1965 and served until 1976.

TNA is constantly seeking ways to create greater interest, remove obstacles to collecting enjoyment and to improve the hobby in general. In 1964, TNA adopted a resolution opposing the production, sale, exhibition or advertising of unmarked counterfeits, copies, restrikes and reproduction of coins, medals, tokens, paper money

and other numismatic items, if their nature is not clearly indicated thereon (except some items produced prior to 1933).

Subsequently, TNA member and former first vice president, Virgil Hancock, initiated the action that resulted in the enactment of the hobby protection law that requires all such items to be permanently and appropriately marked thereon when manufactured. The TNA supported this proposed law and many individual members actively assisted in affecting its passage.

In 1965, a new award was introduced to TNA members—the **VIP (VERY IMPORTANT PERSON) AWARD**. This is given each year to the TNA member who has signed up the most new members of the organization. Winners have been Lloyd Buss, M. H. Lowenstern, Troy Coan (2 years), Fred Clark, Lyman C. Barteo (2 years), C. C. Andrews, Jerry Williams, Thos. C. Bain (3 years), R. L. (Tommy) Tompkins, R. E. Slocum, Marvin Currie and Lyman C. Barteo, fourth time.

A project to assist in benefiting operating funds for TNA in addition to the annual dues and **TNA NEWS** advertising, was the issuance of official medals in silver and bronze appropriate to numismatics, Texas history and TNA. The first medal showed a replica of the famous statue of Will Rogers and his beloved horse "Soapsuds" with the Will Rogers Memorial Coliseum, located in Fort Worth, in the background. The 1970 medal depicts the Battleship Texas and the San Jacinto Monument in Houston; 1971 features "The Lighthouse" formation in Palo Duro Canyon and the

bison that lived on the Great Plains surrounding Amarillo. In 1972, the fourth medal was issued showing a Confederate States of America 1861 half dollar, the design used by the host club—Dallas Coin Club; and the 1973 medal featured the Texas Mustangs that carried men who "made" Texas. The 1974 issue honored Houston, capitol of the Republic of Texas from 1836-1839, with the main design being a reproduction of the capitol building used at that time. The 1975 medal shows the John Neely Bryan Cabin which served as the first, and only, post office in Dallas under the Republic of Texas 1843-1846; and also served as the first courthouse of Dallas County. The 1976 medal features the wild turkey, native to Amarillo, with appropriate inscription celebrating the American Bicentennial. The 1977 medal shows a Bucking Bull with Rider and since Ft. Worth staged the first indoor rodeo, the city was nicknamed "Cowtown." For the 1978 medal, Thanksgiving Square in Dallas is featured outlined by a star which is the official emblem of the Dallas Coin Club. The Alibates Flint Quarries and Texas Panhandle Pueblo Culture National Monument, north of Amarillo, is Texas' only national monument and it was selected as the design for the 1979 medal. The monument is a popular tourist attraction. The obverse carries a figure of an Ice Age Man of the type who used the spectacularly colored flint which was plentiful in the area of the Quarries. The 1980 medal honors Sam Houston, first president of the Republic of Texas. Featured on the 1981 medal is "The Spirit of Flight Memorial," a 30-ft. granite shaft supporting a 17-ft. bronze

winged man, symbolic of man's victory over flight. It is located at the entrance of Dallas' Love Field. The Live Stock Exchange, built in 1902 in Fort Worth, was chosen as the main design on the 1982 medal. Medals Chairman is Howard Luke.

All medals which bear the TNA emblem on the reverse, may be purchased at the convention or by special order. Sets of the medals have been presented to the ANA museum in Colorado Springs, Colo. and the Lyndon B. Johnson Library in Austin.

In 1972, the governing board approved a new award solely for member clubs and is known as the **CLUB SALUTE AWARD**. The first winners were: **San Angelo Coin Club**, 1st place; **Lamb County Coin Club** (Littlefield), 2nd place; and **Beaumont Coin Club**, 3rd place. The 1973 awards went to the **Corpus Christi Coin Club**, 1st; **Greater Port Arthur Coin Club**, 2nd; and **San Angelo Coin Club**, 3rd. 1974 winners were **Greater Port Arthur Coin Club**, 1st; **Hidalgo Coin Club**, 2nd; **San Angelo Coin Club**, 3rd. Honorable mention went to clubs at Amarillo, Wichita Falls, Levelland and Austin. 1976 winners were **Greater Houston Coin Club**, 1st; **Amarillo Coin Club**, 2nd; and **San Angelo**, 3rd; winning in 1977 were **Amarillo Coin Club**, 1st; **Corpus Christi Coin Club**, 2nd; and **Greater Orange Coin Club**, 3rd; for 1979, **Greater Houston Coin Club**, 1st; **Texomaland Coin & Stamp Coin**, 2nd; **Amarillo Coin Club**, 3rd; 1980—**Gateway Coin Club** (San Antonio), 1st; **Stephenville Coin Club**, 2nd; **Amarillo Coin Club**, 3rd. 1980 winners were **Wichita Falls Coin & Stamp Club**, 1st;

**Gateway Coin Club** (San Antonio), 2nd, **Dallas Coin Club**, 3rd. Fred Green had been sponsor of these awards. Austin Coin Club was the 1976-1977-1978-1979-1980-1981 sponsor. Winners are selected from resumes submitted of the club's activities for the year.

Annual conventions are a must for TNA members with education dominating all activities. Convention schedules call for a breakfast on Saturday mornings for all governors and club representatives—a time to get together to discuss club and member problems, ways to increase interest among the membership, an exchange of ideas to promote the hobby and helpful suggestions to relay to the clubs. On Sunday mornings, excitement stirs the visitors—that is the time when all exhibit awards are made and special honors are given. An educational forum is always on the agenda featuring noted speakers from across the nation and OIN has provided speakers for the past several years. The exhibit room is dazzling with glittering displays of every conceivable numismatic item; well known dealers from the United States and foreign nations are in attendance with choice coins and currency—whatever you are looking for or need for your collection—it will be there.

Another highlight of the conventions is the auction conducted by reliable dealers, and TNA members are invited to enter numismatic material—a chance to dispose of duplications from their collection. There are always special meetings of group numismatists such as the **Maximilian Numismatic and Historical Society** and **Society of Paper Money Collectors**, and others. Check the

convention schedule and don't miss any of these events!

We are most happy that you attended our 24th TNA convention – we hope you have gained something numismatically from your visit. If you are not a TNA member, may we welcome you as a new participant? We offer, in a big Texas way, to take advantage of all for the good of the hobby and your own collecting. Let us share all of this with you. We'd be delighted and so will you!

THANK YOU FROM THE EDITOR

Dr. George L. Heath, a country doctor in a small village of Monroe, Mich., and the first editor of **THE NUMISMATIST**, official publication of the American Numismatic Association, said in summing up the birth of the organization: "The foundation of the ANA was not laid for today alone, but for the long and distant future as well. Each man here can do a little in contributing to its success."

TNA was laid on the same wise foundation and has experienced an overwhelming and continuing growth through the efforts of many fine people. We have teamwork and that's what counts in any organization. This "match light" drama impressed us and we pass it on to you. A convention speaker once stressed the importance of individual effort as contributing so greatly to final results. He struck a match and held it as the lights in the banquet room were turned off. "You'll note," he said, "that this small light-like the extra little effort made in your regular work-seems to make very little difference in this room. Now, when I count three, I want each of you to pick up the booklet of matches in front of him and strike a match. See the difference," he said as the ball room literally glowed with the light of so many matches. "when we individually put out a little spark of extra effort, the combined glow brightens the entire picture."

So, we dedicate this edition of the **TNA NEWS** in miniature to all Texas Numismatists-devoted, determined, energetic-who have contributed so much to the continued success of TNA.

We wish to thank the TNA NEWS advertisers for their faithful support. Without their support, we could not give you the quality publication you read every month. Many thanks to all!
